ASSISTANT COMMISSIONER FOR PATENTS
WASHINGTON, D. C. 20231

SIR:

PETITION TO ACCORD A FILING DATE

Pursuant to 37 C.F.R. § 1.10(e), petitioner requests the Commissioner to accord the above-identified patent application a filing date of December 11, 1998.

The application was mailed to the U.S. Patent and Trademark Office with sufficient postage utilizing the "Express Mail Post Office to Addressee" service of the U.S. Postal Service, by dropping it off in an Express Mail drop box, on December 11, 1998. This is evidenced by the attached Certificate of Mailing on the Letter of Transmittal of the application, which was placed thereon prior to the original mailing.

A true and exact copy of the application and accompanying papers as filed is attached. The application's Letter of Transmittal bears the number of the Express Mail mailing label which was placed thereon prior to the original mailing.

A copy of the Express Mail mailing label was not received back by petitioner from the U.S. Postal Service. Nor was the return postcard receipt that accompanied the application received back by the petitioner from the U.S. Patent and Trademark Office.

Petitioner became aware that the U.S. Patent and Trademark Office apparently has no evidence of receipt of the application around June 11, 1999, when making preparations for filing of counterpart foreign applications.

Please charge the petition fee of \$130 to Lucent Technologies Deposit Account No. 12-2325. Duplicate copies of this petition are enclosed. In the event of non-payment or improper payment of a required fee, the Commissioner is authorized to charge or credit Deposit Account No. 12-2325 as required to correct the error.

Respectfully submitted,

Andrew D. Flockhart
Eugene P. Mathews
John Z. Taylor
